Holidays in August:

No official holidays this month but my birthday is August 7th and I like to think of it as a holiday. ;)

SCANDINAVIAN FESTIVAL

There are a lot of great events coming to Lane County this month but I wanted to highlight the Junction City Scandinavian Festival. Hopefully you went last year after seeing my article about it. There is always wonderful music and dancing and food from counties all over Scandinavia and its truly something me and many others look forward to every year! Try an ebelskivers and thank me later!

SMALL BUSINESS SPOTLIGHT

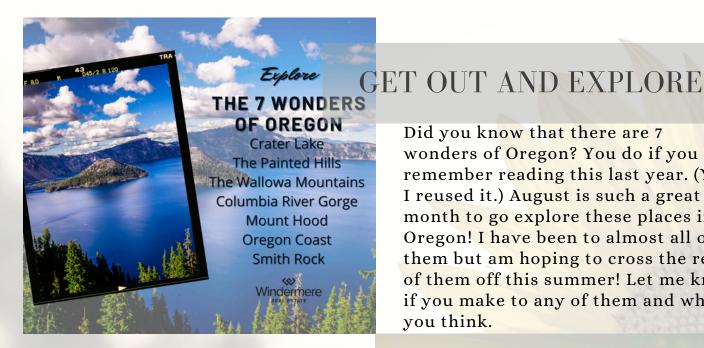

In August I want to tell you about
Bartini again. Its been a while since
highlighting Bartini and they just did
a massive expansion. They were a
small cocktail lounge and they just
expanded and more than doubled
their space. It is owned by a few
people in the real estate industry and
they have done a great job at making
it a hot spot in Eugene. If you are
looking for a nice night out
downtown you need to check it out!

A LITTLE HOUSING

Rates are currently the lowest they have been in 2025. It is actually the lowest in 10 months. They are still not down to 5% but the mid 6's is something to be excited about. Does this drop foreshadow lower rates this fall? We can only hope. Its been a tumultuous year for buyers. I do think rates will drop a little bit more between now and the next few months but still in the 6%s. Only time will tell.

Did you know that there are 7 wonders of Oregon? You do if you remember reading this last year. (Yes I reused it.) August is such a great month to go explore these places in Oregon! I have been to almost all of them but am hoping to cross the rest of them off this summer! Let me know if you make to any of them and what

you think.

THINGS WITH ME

The past few weeks has me doing all the things. My birthday is tomorrow and my 15 year anniversary is next week so I'll be heading in a few days to Hawaii for a little getaway to 4 different islands! I currently have 5 active listings and will have another here in a couple weeks. My offshore assistant is working out well and all the things are going so good. I am so thankful to those of you who sent me referrals of people to work with this year. Appreciate you so much!

LETS WRAP UP

As always, thank you for taking the time to read my monthly newsletter. Do you have anything you would like me to include that you think would be valuable? I would love to hear from you. And if you ever want to get together for coffee or happy hour to catch up the invite is always there. I appreciate you all so much! Thanks & have a great month!!
